Tiger census figures by November

Bhopal, April 2

The Union Minister of State for Environment and Forests, Mr Jairam Ramesh, today said the results of tiger census will be available by November. "This time, the tiger census is being conducted in a more scientific manner while earlier it was based on pugmarks. Hope the count will be over 1,400," he told reporters after the seventh convocation of the Indian Institute of Forest Management (IIFM) here. - PTI
