**Another tiger dies in MP**

*est. MWS*

**BHOPAL:** Another tigress was found dead in the Pench Tiger Reserve, Madhya Pradesh on Thursday. The management — while claiming the tigress was killed as a consequence of injuries sustained in a fight — seems to be in a hurry to dismiss the issue. Between January 2009 and October 2010, the state's forest department has attributed 10 tiger deaths to infighting at the Kanha and Pench Tiger Reserves. ✓
